

# An Annual Favorite

Now in its fourteenth year, the LifeFlight Emergency Care Open at Waterville Country Club is a popular tournament with a dedicated following of golfers from all over Maine.

For LifeFlight, it's an opportunity to bring increased visibility and funds to support our work. For businesses like yours, it's an opportunity to connect directly with a diverse and desirable customer base. Our participants include EMS providers, healthcare professionals, sponsors, LifeFlight donors, business owners and other golfers from throughout the state.

Each year, LifeFlight cares for more than 2,200 critically ill and injured people throughout the state. Since 1998, we have helped more than 33,000 patients get the advanced medical care and transport they need, no matter where they are. Our ability to continue this vital work depends on the support of people like you.

## Benefits to You

- Affiliation with LifeFlight, recognized internationally for safety, innovation and leadership in emergency medicine and critical care transport
- Broad exposure to key audiences, including healthcare providers, EMS community, business owners and other professionals from throughout Maine
- Opportunities to attend the event and network with participants and other sponsors

We invite you to help keep Maine's flying hospital in the air for the people who need it most.
